

WOODS® REAR DISCHARGE FINISH MOWER

Model RD990X

The Woods RD990X rear discharge finish mower is tough yet versatile. With a 228,6 cm cutting width, this mower moves from rough, weedy farmland to commercial lawns and landscapes. The deep deck and stump jumper blade carrier are ideal for rough grass and light weeds leaving a high grade finish cut behind.

- Features a Quick-Change blade system, an extra strong double B-section belt, and anti-wrap bars that prevent damage caused by material wrapped around lower spindle
- Floating lower hitch points allow the mower to follow uneven terrain
- Standard chain shielding, for added safety and peace of mind
- Features a strong, 4,55 mm steel deck and a powerful 75 hp gearbox
- Caster arms can be adjusted inboard for more maneuverability and improved performance on rough ground
